Leaves a mark"**

Dear Parents, Namaskar!

Thank you for your support during COVID-19.

We understand the enormous responsibility and challenges that Remote Learning placed on parents, guardians and students as you had to create time, space, routine and support for learning at home. We realize that all of our families are experiencing a difficult time and that there are many other needs, in addition to students learning, that are critical as we work through the crisis together. Our sincere thanks for supporting us in all our endeavours. We thank parents for their continued support for online classes. Your words of appreciation keep us motivated during these challenging times.

On behalf of school management and staff, I take this opportunity to thank you all for your whole hearted co-operation. Because without your co-operation, we would not have succeeded in our mission & our aim to taking our students upon this journey of knowledge and learning new thing, new idea and experience in online field.

I wish and hope that in future your co-operation and collaboration between DPA & parents for the education of bright future of students will keep going on like this in future too.

I also want to thank all of our education community for the dedication and hard work to ensure DPA students keep learning regardless of where they are. The creativity learning power and dedication we have seen coming from you all has made me proud to be part of such a great system.

Thank you

Meenakshi Singh Karakoti  
Principal
